The Honorable Kay Granger

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the purchase of laboratory equipment for Roanoke College in fiscal year 2023.

Sponsoring this project is nonprofit educational institution Roanoke College, located at 221 College Ln, Salem, VA 24153. Funds would be utilized on campus in its Next-Generation Science Center.

Funding would be used to purchase five pieces of lab equipment that are critical in the education of students seeking careers in medical professions, including a synthetic cadaver and a nuclear magnetic resonance device. It is an appropriate use of taxpayer dollars, as it will help the school to attract talented students who are likely to become health professionals and strengthen the region's public health infrastructure.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Morgan Griffith".
