The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding in the amount of \$2,363,570.00 for Patriot Centre Industrial Park Site Readiness project for Henry County, Virginia, in fiscal year 2027. This project will support site readiness of a 23-acre parcel located in the Patriot Centre. The work involves clearing and grading of a 15-acre pad and installation of water and sewer lines to serve the location. The sanitary sewer lines are 8-inch lines for a total of 840 linear feet. The 12-inch waterlines will be 900 linear feet in length.

The entity to receive this funding is Henry County, Virginia, with offices located at 3300 Kings Mountain Road, Martinsville, VA 24112.

This funding is an appropriate use of taxpayer dollars because the Patriot Centre Industrial Park has become one of the region's most productive spaces for domestic and international investments. The facility serves as home to 2,500 employees working at a large industrial manufacturing and processing operations. A high level of interest from domestic and international tenants in the park signals more opportunity on the horizon.

The Patriot Centre is a revenue sharing facility that embodies a multi-faceted approach to building shared success for a region. Improvements at the Patriot Centre are angled toward recruitment of high paying jobs.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "H. Morgan Griffith". The signature is fluid and cursive, with a large initial "H" and a stylized "G".
