The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding in the amount of \$2,589,200.00 for the Pulaski County Necessary Waterline Infrastructure Investment Project in fiscal year 2024. The funding would be used to invest in repair and replacement of critical, but aging, public utility infrastructure in the Town on Dublin and Town of Pulaski.

Sponsoring this project is County of Pulaski, Virginia, with county government offices located at 143 3rd Street, Suite 1, Pulaski, Virginia 24301.

The project is an appropriate use of taxpayer funds because installation and replacement of critical waterline infrastructure in the Town on Dublin and Town of Pulaski will significantly enhance public health and welfare for the residents of both towns. Additionally, this project will assist in securing a healthy economic future for the retention, expansion, and attraction of industrial, commercial, and residential development in the Town of Dublin, Town of Pulaski, and Pulaski County as a whole.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

H. MORGAN GRIFFITH
Member of Congress
